2024 Grant Application Workshops & More!

Beginning the week of January 29, RAC will hold a series of grant application writing workshops, which will be posted on RAC's YouTube channel and available to all applicants.

Additionally, RAC will provide several opportunities for organizations and artists to receive in-person assistance! Dates to be announced in early January. **Topics include:**

- **Financial Statement Clinics**, in partnership with Volunteer Lawyers & Accountants for the Arts at RAC's City Foundry STL location (Please note this is for Organizational Grant applicants).
- **Completing the Application**, at RAC's City Foundry STL location (Please note this is for Organizational, Program Support, and Artist Support applicants).

AND the RAC Grants Team will establish weekly office hours at RAC's City Foundry STL Location on Tuesdays from late January through early March. RAC staff will be available to answer your questions regarding the application and process. Office hours will be conducted on a first-come, first-served basis.

Please check back in January for details, including specific dates and times.
